Resolved—That
sion of a Grand

rious practice I beg to submit for your consideration a report of my official actions during the time I have had the proud distinction of being Grand Master of this jurisdiction.

The year just expired has been an eventful one for our Order in this Province, from the fact that two new lodges have been added to our number. In addition to this unusual occurrence I am pleased to state that the membership of the older lodges has increased and that all appear to be enjoying financial prosperity.

Attached hereto are the reports of my District Deputies, from which it will be seen that the lodges under their supervision are flourishing. I approve of their decisions with the following exceptions: Brother E. S. Scoullar, of District No. 2, states that he decided, in answer to a question submitted to him, that it was not compulsory for every member of a lodge, present, in good standing, to vote on the application of a candidate for membership, although it was the duty of each member to do so. I hold, however, by section 1216 of White's Digest, 1882, that it is clearly laid down that "every brother present in a lodge or encampment, if qualified to vote, is obliged to vote on all questions, unless excused by the lodge or encampment." This is qualified by section 1217, which provides that a brother shall not vote on a question in which he is directly interested.

I wish to point out, in connection with the negative answer given by Brother J. McNeill, D. D. G. M. District No. 4, to a question submitted to him as to whether the mother of an Oddfellow could join a Rebekah Degree Lodge, that, although strictly correct at the time the decision was given, that, by the action of the Sovereign Grand Lodge, at its last session, the qualification has been amended, and the mother of an Oddfellow, if a widow, is now eligible to join the Rebekah Degree Lodge.

PROCLAMATIONS.

Having received the Proclamation of the Grand Sire, dated 4th February, 1886, to observe the 26th April, last, as the anniversary of the institution of our order in America, I issued a dispensation requesting all lodges in this jurisdiction to observe this day in such appropriate manner as they might deem most fitting.

I am in receipt of a Proclamation of the present Grand Sire, dated 10th October, 1886, in which he declares the following resolutions of the session of the Sovereign Grand Lodge, found at page 10,659 of the proceedings, to be *inoperative and void* in consequence of irregularity in the manner of their adoption, viz.:

Resolved—That in lieu of other regalia, members and visitors at the session of a Grand Body, wearing a scarlet ribbon, and at the session

"of a Grand Encampment a purple ribbon, both about one inch in width, on the lappel of their coat, shall be deemed to be in proper regalia."

"Resolved—That the officers of the said Grand Bodies, in lieu of other regalia, may wear a ribbon, prescribed as above, with the jewel of their offices attached thereto."

The Grand Sire, in the exercise of the plenary powers vested in him by the Sovereign Grand Lodge, to suppress the illegal organization known as the "Patriarchal Circle," has issued an important Proclamation, a copy of which is attached, requiring that all officers whether of the Grand or Subordinate Lodges or Encampment, previous to their installation; all Representatives to Grand Lodges or Encampments, before admission to their Grand Bodies; and all applicants for membership in the Subordinate Lodge or Encampments, previous to their admission, shall make an affirmation in the form therein provided, that they are not members of the "Patriarchal Circle." As the neglect or refusal to carry out the directions in this Proclamation on the part of any Lodge or Officer, involves, on conviction, the penalty of expulsion, I recommend that a copy be sent to each Lodge in the jurisdiction, with instructions to comply with the same.

INSTALLATIONS AND VISITS.

Accompanied by the officers of the Grand Lodge, residing in Victoria, I installed the officers of Victoria Lodge, No. 1, on the 5th July, 1886, Columbia Lodge, No. 2, on the 14th July, 1886, and Dominion Lodge, No. 4, on the 8th July, 1886.

I very much regret that indisposition prevented me from performing this duty in these lodges in January last, but it was efficiently discharged by Brother Meldram, G. W., and Brother Roberts P. G. M., assisted by other Grand Officers.

On the 22nd and 24th November last I visited Harmony Lodge, No. 3, and Black Diamond Lodge, No. 5, respectively, and witnessed and assisted in initiating a candidate into the mysteries of Odd Fellowship in each of these lodges.

I was received with great cordiality and have much pleasure in bearing witness to the correctness of the rendition of the work and the general efficiency of the officers.

NEW LODGES.

Having occasion to visit England in April last, when I was absent from the Province for about three months, I empowered Brother Quinlan, G. M., to perform the duties of Grand Master during my absence.

Brother Quennell's actions in that capacity are set forth in his report appended hereto.

During this absence, application was made and a dispensation issued to institute a lodge in the prosperous settlement of Chilliwack, and this ceremony was performed by Brother Scoullar D. D. G. M. of District No. 2, on the 24th May last, as set forth in his very interesting report attached. I need not say what pleasure it would have given me to have had the honor of instituting this lodge, had I been here and had been requested to do so.

In response to a petition from seven members residing at Vancouver, B. C., dated 5th January, 1887, for the establishment of a lodge of our order in that city, I issued a dispensation authorizing them to meet and operate a lodge until a charter is issued by this Grand Body, and also commissioned Brother Scoullar, D. D. G. M. District No. 2, to institute the same. This duty was performed by him and Vancouver Lodge, No. 8, was established on the 24th January, 1887, with sixteen members and with every prospect of success. A very severe cold, which confined me to the house several days, prevented me from attending this auspicious event and participating in the ceremony.

The petitions for these two lodges will be submitted to you and I recommend that a charter should issue in each case.

For some time past the Grand Secretary has been in correspondence with persons at Kamloops who are desirous of forming a lodge of our order in that town, and I think it probable that this event will be consummated in a very short time.

ENDOWMENT FUND.

This valuable accessory to our system is growing, slowly. The action of the committee, in conjunction with the Grand Secretary, in preparing and furnishing each member in the jurisdiction with a circular containing the advantages derivable therefrom was commendable, and is bearing good fruit.

I commend this association to your fostering care, and predict for it a useful career. I refer you to the Grand Secretary's report for details as to the present position of this association.

DEATHS.

I regret to inform you that the fell destroyer has visited our ranks during the year and removed from our midst Brother J. Brunton, P. G. Black Diamond Lodge, No. 5.

I beg to suggest that the practice of other years should be followed

this case and a memorial page be inserted in the Proceedings of this session to record the brother's decease.

SOVEREIGN GRAND LODGE, 1886.

Following the example of my two immediate predecessors, I beg to present you with a brief digest of the most important proceedings of the Sovereign Grand Lodge, session of 1886.

The sixty-second annual session of the Sovereign Grand Lodge was held in the historic and highly cultured city of Boston, Massachusetts on September 20th to 25th, 1886.

All the jurisdictions, subordinate to the Grand Lodge, were represented with the exception of the Grand Lodges of Arizona, Chile, Denmark, Switzerland, our own and the Grand Encampment of South Carolina.

The hospitality of the inhabitants of the city seems to have been unbounded, and the Grand Representatives appear to have had a very favorable time. The great event of the week was the grand parade of the order, which took place on Wednesday, the 22d September, 1886, in which some 15,000 Odd Fellows and over one hundred bands of music were in line, forming a procession from six to eight miles in length, that required over two and one quarter hours to pass a given point. A conspicuous feature in the procession was the muster of the Patriarch Militant, numbering between five and six thousand swords.

From the report of the Grand Secretary we gather the following statistics respecting the position of the order on the 31st December, 1885.

Sovereign Grand Lodge.....	1
Independent Grand Lodges (German Empire and Australasia) ..	1
Subordinate Grand Encampments.....	1,300
Subordinate Encampments.....	1,300

Revenue of Rebekah Degree Lodges.....	71,924 81
Total Revenue.....	\$5,309,688

Increase of Revenue.....\$ 35,800

From 1880 to Dec. 31, 1885, the sum of \$11,151,900 00 has been expended for relief.

A new feature in the reports this year is the statistics which have been collected respecting Odd Fellows Beneficial Associations in operation. These returns are admittedly incomplete, yet they show that payments have been made by these organizations to the families or representatives of deceased brothers amounting to nearly eight million dollars, and that they had funds on hand June 30, 1886, to the sum of \$516,820 55.

The following is an abstract of new legislation effected and of the construction which has been given to existing laws :

Grand Lodges and Grand Encampments may provide for the exemption of the Degrees of the Order, while open in the Scarlet Degree. A Subordinate cannot expend its funds for a collation and ball even upon the celebration of the anniversary of the Order, nor has a Grand Body power to authorize its subordinates to make such expenditure, as it is not for the "legitimate purposes of the Order."

A revised Ritual of the Rebekah Degree having been adopted, the said Ritual is to be the only authorized work for this Degree on and after 1st January, 1887.

Salary due an officer cannot offset his dues to entitle him to benefits if taken sick and in arrears.

Standing of members in Encampment is not affected until one year after suspension in Lodge, if under no disability in Encampment.

It is illegal to fine a member for absence from Lodge meetings.

Lodges and Encampments may omit meetings when they fall on a National Anniversary, Thanksgiving Day, and other legally established or generally recognized holidays.

The mother, widow, and unmarried step-daughter of an Odd Fellow may receive the Degree of Rebekah or be admitted to membership in Rebekah Degree Lodge.

The Grand Sire to issue a proclamation annually calling on all Subordinate Lodges to celebrate the 20th October, or such other day as will be more convenient to the Lodges, as a Memorial Day, and to engage in appropriate exercises respecting their deceased members.

The memorial from this Grand Lodge, in support of the proposed amendment to the Constitution of the Sovereign Grand Lodge, to admit persons to membership at 18 years of age, appears in full at page 10,370 of the proceedings, and was, on motion of P. G. Sire Nicholson, ordered to be entered on the journals. The proposed alteration was rejected by vote of 77 against 67 in its favor.

The following Grand Officers were elected : John H. White, Grand Sire, New York; Jno. C. Underwood, Dep. Grand Sire, Kentucky; Theo. A. Ross, Grand Secretary, Maryland; Isaac A. Shepperd, Grand Treasurer, Pennsylvania.

Columbus, Ohio, was selected as the permanent location of the headquarters of the Sovereign Grand Lodge.

The next Annual Communication of the Sovereign Grand Lodge will be held at Denver, Colorado, in September, 1887.

RECOMMENDATIONS.

We have now eight Subordinate Lodges in this jurisdiction, with the probability of another being added shortly to the number, and it requires no great stretch of the imagination to conceive the possibility of even two Lodges being started next year, which will give us the coveted number required to entitle a Representative from this jurisdiction to the mileage and per diem when attending the Sovereign Grand Lodge.

In order to be prepared for this contingency, I would suggest the propriety of electing a qualified person as Grand Representative at this session—even if we are not fortunate enough to secure the necessary number of Lodges, it is quite possible that some qualified brother may be journeying in the direction of Denver next September, and would like to appear in the Sovereign Grand Lodge as the Representative of this Grand Body, and in the event of the Representative elect being unable to attend, he could resign and the other aspirant appointed by the Grand Master to fill the vacancy. At all events, there would be no harm done in electing a Representative at this meeting.

As a matter of general convenience and policy, I would advise that D. G. Masters be appointed for each of the newly instituted Lodges at Chilliwack and Vancouver.

The expenses attendant on the opening of a new Lodge being necessarily heavy I would recommend that the semi-annual tax due from Excelsior Lodge, No. 7, Chilliwack, to 31st December last, be remitted, and that the Grand Secretary be instructed not to require the tax from Vancouver Lodge, No. 8, for the half year ending 30th June, next.

CONCLUSION.

The past year has not only been financially prosperous, but it has been apparently characterized by harmony and unanimity, for I have not received a single appeal, nor has a question been propounded for my decision.

In retiring from this elevated position to which you have elected me, allow me to thank you for the honor thus conferred, and to bespeak a generous and charitable construction for my actions. Any errors that I have committed, I beg of you to attribute rather to a defect of the head than of the heart. I sincerely love and admire Odd Fellowship; it has been my hobby for many years, and although I shall, at the completion of this session, resign into your hands the trust you have bestowed, it will not be to retire into ease or repose, but I shall continue to be as active and assiduous a worker in the ranks as I have been in the past.

I remain, dear sirs and brothers,

Yours in F. L. and T.,

Grand Master.

PROCLAMATION OF THE GRAND SIRE.

Sovereign Grand Lodge of the Independent Order of Odd Fellows:

OFFICE OF THE GRAND SIRE,
ALBION Orleans County, N. Y., December 23 1886.

To the Independent Order of Odd Fellows:

By virtue of the authority vested in me by the Sovereign Grand Lodge of the Independent Order of Odd Fellows, I, John H. White, Grand Sire, hereby order and direct as follows:

First.—That no person holding membership in the Patriarchal Circle or its successors, by whatever name it may be known, or in any secret organization not authorized by the Sovereign Grand Lodge that has heretofore or may hereafter require as a qualification for membership therein a past, present or future membership in this Order, shall be elected or appointed to or installed in any office in any Grand or Subordinate Lodge or Encampment of Odd Fellows under the jurisdiction of the Sovereign Grand Lodge; and it shall be the duty of all installing officers, before installing into office any person who shall have been elected or appointed to any office in any such Grand or Subordinate Lodge or Encampment, to exact from each of such persons an affirmation in the following form, viz.:

"I, upon my honor as an Odd Fellow, do solemnly declare that I am not now, and was not at the time of my election (or appointment) to the office into which I am now about to be installed, a member of the Patriarchal Circle, or any successor thereof, by whatever name known, or in any secret organization not authorized by the Sovereign Grand Lodge of the Independent Order of Odd Fellows, that has heretofore or does now require as a qualification for membership therein, a past, present or future standing in this Order of Odd Fellows."

And any such person who shall neglect or refuse to take and subscribe such affirmation shall not be installed into office, but the said office shall be declared vacant, and the Lodge, or Encampment, as the case may be, shall proceed to elect or appoint a qualified brother to fill the vacancy thereby created.

Second.—That no person shall be elected to or received into membership in any Subordinate Lodge of Odd Fellows under the jurisdiction of the Sovereign Grand Lodge, unless he shall subscribe an application for membership which shall contain a declaration, upon his honor, that he does not hold membership in the Patriarchal Circle, or any successor thereof, by whatever name the same may be known or called.

Third.—That no Subordinate Encampment under the jurisdiction of the Sovereign Grand Lodge of the Independent Order of Odd Fellows shall elect to or receive into membership, any member of a Subordinate Lodge, who shall not in his application, declare upon his honor as an Odd Fellow, that he does not hold membership in the Patriarchal Circle or any successor thereof, by whatever name the same may be known or called.

Fourth.—That all persons who shall hereafter claim to be admitted as members of or Representatives to any Grand Lodge or Encampment of this Order, shall take and subscribe the affirmation first herein set forth, and no such Grand Lodge or Encampment shall hereafter admit to membership therein or as Representative thereto, any person who shall refuse to take and subscribe such affirmation.

Fifth.—That any Lodge, Encampment or officer who shall wilfully neglect or shall refuse to carry out any of the provisions of the foregoing orders or directions, or who shall violate the same, and any member of the Order or person who shall thereafter become a member, who shall falsely make, take or subscribe either of the foregoing affirmations, shall be deemed guilty of conduct unbecoming an Odd Fellow, and upon conviction thereof shall be expelled.

All Grand Masters and Grand Patriarchs are required to promulgate to their subordinates the above orders and directions, and they and all Grand Lodges and Encampments shall cause the same to be obeyed.

JOHN H. WHITE,
Grand Sire.

Attest: THEO. A. ROSS,
Grand Secretary.

NANAIMO, B. C., Feb. 2, 1887.

F. Carne, Grand Master.

Dear Sir and Brother.—On May 17, 1886, I granted a dispensation to institute Excelsior Lodge, No. 7, Chilliwack; also, a dispensation on same date authorizing the public dedication of a hall to the purposes of Odd Fellowship, and permission to install the officers of the above Lodge in public. These are all the official acts performed by me whilst acting as Grand Master during your absence. Hoping to meet you all next week,

I remain yours fraternally,

E. QUENNEL,

Deputy Grand Master.

Office of the D. D. Grand Master, District No. 1, of the Grand Lodge of the Province of British Columbia.

VICTORIA, B. C., 4th February, 1887.

Fred'k. Carne, Esq., Grand Master Grand Lodge of B. C.

Dear Sir and Brother.—I beg to furnish you with a report of my acts as your Deputy for this District.

On 19th April, 1886, I received an application from Dominion Lodge, No. 4, for a dispensation to enable it to confer the Degrees of the Order on a member on Sunday, 11th April, 1886, in consequence of the brother's purpose to leave the Province next day. This dispensation I declined to grant, and referred the Lodge to section 1269 of White's Digest, which directs that "No Lodge or Encampment or Degree Lodge shall hold any meeting for work or business upon Sunday, except for funeral purposes." On the face of this it was impossible for me to grant the request.

On the 14th April, 1886, I granted a dispensation to Dominion Lodge, No. 4, empowering it to confer the three degrees on Brother Wm. Cowan, member of that lodge, in less time than the law allows, on account of the brother's intention to leave the city.

I am pleased to report that the lodges in this city are enjoying general prosperity, and are efficiently prosecuting the good work for which we are combined.

I am, dear Sir and Brother, yours, in F. L. and T.,

GEO. H. MAYNARD,
Deputy Grand Master, District No. 1.

SPECIAL REPORT DISTRICT No. 2.

NEW WESTMINSTER, B. C. 25th May, 1886.

To the Grand Master of the Grand Lodge of B. C., I. O. O. F.

Dear Sir and Brother.—By your authority I proceeded to Chilliwack yesterday and instituted Excelsior Lodge, No. 7. I was ably assisted by P. G. M. Brother Shiles, P. G. M. McColl, P. G.'s Turner, Trew, Phillip Baker, McCorvie, and the officers and members of New Westminster Lodge, No. 3. Through the kindness and generosity of Brother J. C. Henderson, of Excelsior, No. 7, a special steamer, with a band of music, was placed at our disposal, and free tickets were issued to all Odd Fellows in good standing, and their friends. About 150 availed themselves of the generous offer. On arrival at Chilliwack, we formed in procession and marched to the village, where an address of welcome was read to us by one of Chilliwack's prominent citizens, and was replied to by several of the brothers. We were then invited to partake of dinner, which was served in a beautiful grove and was a great credit to the ladies of that place. We then proceeded to the Hall, which was publicly dedicated to the use of Odd Fellowship. After an initiation and conferring the degrees we instituted Excelsior Lodge, No. 7, with a membership of ten. The officers having been elected, we adjourned for supper, which was served in the lower hall, free to all Odd Fellows and their friends. After doing justice to this meal, the officers were publicly installed, and at the conclusion of these ceremonies, a grand ball was given in honor of the evening. The day was declared a public holiday, and there was a very large attendance at all the proceedings. Too much credit cannot be given to brother J. C. Henderson, for the able and generous manner in which he provided and carried out the programme for the day, and all present were unanimous in saying that they never enjoyed themselves better, and will long remember their visit to Excelsior Lodge, No. 7.

Yours fraternally,

E. S. SCOULLAR,

NEW WESTMINSTER, B. C., January 28th, 1887.

Brother F. Carne, Grand Master Grand Lodge, I. O. O. F., of B. C.

Dear Sir and Brother.—Herewith I submit my report as D. D. G. M. for District No. 2, for your approval. By your command and with the able assistance of Brothers P. G. Masters McColl and Shiles, and the officers and members of New Westminster Lodge, No. 3, I proceeded to Chilliwack on May 24th, 1886, and instituted Excelsior Lodge, No. 7; also, installing their officers. This lodge has started under the most favorable circumstances, and I pre-lect a grand future for it. The ceremony of dedicating hall and installing officers was public, and a large number of the residents witnessed the event. On July 8th, ably assisted by Brother P. G. M. McColl, I installed the officers of No. 3 into their respective offices; also, again on January 6th, 1887. No. 3 has progressed and prospered, both in numbers and financially, the past year.

I instructed Brother P. G. M. McColl to proceed to Chilliwack and install officers of Excelsior Lodge, No. 7, on July 6th, which he did, and reports that lodge gaining steadily. I also instructed Brother P. G. Henderson to install the officers of said lodge for the present term.

By your command I proceeded to Vancouver on 24th January, and instituted Vancouver Lodge, No. 8, and installed the officers into their respective chairs; also initiated and conferred degrees upon ten new members. This lodge has started with a membership of sixteen, and bids fair to become one of the strongest lodges in the Province.

It is with feelings of the greatest pleasure that I am able to report to you the large increase in our membership upon the mainland, amounting to over fifty, and trust, in the coming year, my successor may be able to show as large an increase.

There was only one question regarding the interpretation of our laws brought before me during my term of office, namely, as to whether it is compulsory for every member of a lodge present, in good standing, to vote; on the application of a candidate for membership, my decision was, while it is the duty of members in good standing to vote, yet, I could not do anything in our laws to compel a member to do so. This decision, I trust, meet with your approval.

Before closing this report I would like to place on record the able assistance received from Excelsior Lodge, No. 7, in instituting Vancouver Lodge, No. 8; they sending fourteen members to take part in this interesting ceremony, showing a marked contrast to the members of the Order upon Vancouver Island. I regret very much that you have not been able to visit the mainland during your term of office. I hope we may be more fortunate in your successor, as I believe Grand Officers can do a

great deal of good to the Order in making occasional official visits to the various districts under their jurisdictions.

Yours respectfully, and fraternally,

E. S. SCOULLAR,
D. D. G. M. District No. 2

NANAIMO, B. C., January 15th, 1887.

To the Grand Master of the Grand Lodge of B. C., I. O. O. F.

Dear Sir and Brother.—I beg respectfully to submit the following report of my actions as D. D. G. M.

I have the honor to report that my duties have been very light during the past year. On July 14th the officers of Black Diamond Lodge, No. 5, were duly installed by the Depty Grand Master, Brother Ed. Quesnell. On January 5th I attended Black Diamond Lodge, No. 5, and installed the officers elect. On the 21st April I granted a dispensation to Black Diamond Lodge, No. 5, to initiate Walter Miles a week sooner than the law permitted, as he wished to join in the celebration of the 26th of April. On the 17th of March, 1886, a question was submitted to me for my decision. A brother having paid his dues to a certain date in advance, would the brother be entitled to sick benefits to the date to which he had paid, if between said dates there had been funeral or other assessments charged against him. In my reply I stated that a brother would be in good standing to the end of the term, and referred them to Article 4, Sec. 3, of the Constitution.

On the 18th of August, 1886, a question was submitted to me for my decision as to the legality of reducing the sick benefits of a brother after receiving benefits for the period of six months. In my reply I stated it was legal, and referred to Article 4, Sec. 2 of the Constitution.

Black Diamond Lodge is in a prosperous condition, financially and otherwise.

Yours fraternally,

On May 17th, 1886, I received a communication from Harmony Lodge, No. 6 inquiring whether the mother of an Odd Fellow can join a Rebekah Lodge. I answered—I do not find any authority for conferring this degree on the mother of an Odd Fellow unless she is the wife or widow of an Odd Fellow.

Moved by H. Waller, P. G. M., No. 2, and seconded by Rep. Wriglesworth, P. G. M., No. 4, that the report be received and handed to a committee of three to distribute the same to the various committees. Carried.

Report of Grand Secretary read.

Office of Grand Secretary,
Victoria, British Columbia,
9th February, 1887.

To the Grand Lodge of the Province of British Columbia, I. O. O. F.

Dear Sirs and Brothers.—It affords me much pleasure in presenting for your consideration a report of the work of this office and of the Order generally in this jurisdiction during the past year. The progress made is greater than it has been the duty of any incumbent of this office to record since the institution of this Grand Lodge. Two new lodges have been instituted—at Chilliwack and Vancouver—under favorable auspices, and with every prospect of a prosperous and useful career, and there is little doubt but that still another will shortly be opened at Kamloops.

The membership of the other lodges has increased and there is every indication of a general revival of the Order in this Province, proving that its latent energy has been awakened, and that its ennobling principles and its sterling advantages are both recognized and appreciated.

The duties devolving on the Grand Secretary in connection with the resolutions of the last session have been fully discharged.

A petition was prepared and despatched to the Sovereign Grand Lodge asking for the remission of the Representative tax charged against this Grand Lodge for the year 1886; the request was granted and the tax remitted—vide Proceedings Sov. G. L. pp. 10,379, 10,525, 10,660.

The amendments effected in the Constitution of the Grand Lodge last session were reported and received the approval of the Sovereign Grand Lodge. Vide Proceedings Sov. G. L. pp. 10,371, 10,500, 10,644.

As directed, a memorial was forwarded in support of the proposed amendment to the Constitution of the Sovereign Grand Lodge, to permit the admission of members at 18 years of age. It was presented by Grand Secretary Ross and on motion ordered to be spread on the journal.

The opinion of the Grand Sire was solicited as to whether the adoption of the form of application for membership recommended by the Sovereign Grand Lodge, session 1885, was compulsory. The Grand Sire decided that the adoption of this form was not compulsory, and this decision was communicated to the subordinate lodges in this jurisdiction.

The attention of the subordinate lodges was called to the Proclamation of the Grand Sire, included in the report of Grand Master McColl, respecting membership in the Patriarchal Circle.

In compliance with a resolution of last session, the appeal of a committee of the Grand Lodge of Indiana for assistance to the Colfax Memorial Fund was sent to each subordinate lodge, and in response thereof I received the following sums:—Victoria Lodge, No. 1, \$5; Columbia Lodge, No. 2, \$5; Dominion Lodge, No. 4, \$5; Harmony Lodge, No. 6, \$4; total \$19, which was duly remitted and the receipt of the treasurer of this fund for this amount is on file in this office.

The proceedings of the last session were printed at the lowest price obtainable and copies distributed in the usual manner. An index has been added for facility of reference, and will, if continued, be of great use when the next volume of Proceedings is bound.

The Finance Committee having reported on the question of payment of Representatives, referred to them last session, a copy of this report was transmitted to each lodge as directed. The report in question will be presented for your consideration.

Copies of amendments made to the by-laws of Victoria, New Westminster and Dominion Lodges have been received and were referred to the Committee on Laws of Subordinates without delay. The reports of this committee will be laid before you, copies of which have been furnished the respective lodges.

that thriving place. Difficulty has been experienced in obtaining the necessary five cards to accompany the petition, but this difficulty will probably be overcome by one of the gentlemen interested coming to Victoria to be initiated and taking his withdrawal card, which will make the requisite number. I am credibly informed that between seventy and eighty persons have signified their desire to join the lodge when opened.

By legislation of the Sovereign Grand Lodge last session, the number of copies of the Proceedings of that Grand Body supplied to each Grand Lodge is increased to one for each subordinate lodge in the jurisdiction, and fifteen copies for the use of the Grand Lodge. I am in receipt of twenty-one copies, and beg to request instructions as to their disposal.

I would respectfully remind you that Brother Huxtable, Grand Herald, is entitled to some recognition for cleaning, etc., the Grand Secretary's office during the past year.

The Committee appointed last session to assist in promoting the welfare of this association met and came to the conclusion that it was advisable in its interests that a circular should be prepared and circulated amongst the brothers, calling their attention to the existence of this organization and pointing out its objects and advantages and soliciting

their co-operation in extending its usefulness. This was accordingly done and a copy of a circular to the above effect was sent to each member of this jurisdiction whose address could be obtained, enclosing a form of application for membership.

The position of this association at present is as follows :

Number of members per last report.....	100
Number of members admitted during the year.....	48
Number of members suspended for non payment of assess- ment No. 3.....	148
Number of members in good standing.....	3
Number of members in good standing.....	145

Being a gain of forty-five members during the year.

The amount received on the last assessment and now available to meet the next claim is \$231 00, as compared with \$164 80, paid on the last death.

I am happy to report that no death has occurred amongst the members of this association during the year now expired.

SUMMARY.

BALANCES IN HANDS OF GRAND TREASURER.

Endowment Fund.....	\$ 235 40
Management Fund.....	348 06
	\$ 583 46

I have received many enquiries as to the purpose of the accumulation in the Management Fund. There is certainly no need of a surplus in this Fund, but the amount contributed to it as dues by each member is so small (12½c. per month) that it seems inadvisable to reduce it. In order, therefore, to utilize this surplus, and at the same time add to the stability of the association, I shall have much pleasure in submitting for your favorable consideration an amendment to its rules providing for the creation of a Reserve Fund out of the surplus of the Management Fund, from which the benefits may be paid when the number of deaths in a year exceed a certain percentage of the number of members. This will have the effect of remedying a defect which exists in most assessment societies and serve, in a measure as a safeguard that members shall not be called on for more than a limited number of assessments per year.

When this association attains larger proportions it may be necessary to appoint and remunerate agents in the various places to look after its business and to collect and forward the monies as they become due, but we must, I fear, trespass a little longer on the gratuitous services of the friends of this organization to perform these duties.

I am sorry that I cannot report a more rapid growth in this association. The increase has been slow but steady, and it is possible that after awhile, by patient and unwearying labor, we may realize the consummation of our hopes in having a society that will be in a position to pay at least \$1,000 on the death of one of its members.

A report on this association was furnished the Sovereign Grand Lodge

and appears in the returns of similar societies in operation in our order at pages 10,316 and 10,318 of the Proceedings.

In conclusion, I desire to express my thankfulness for the kindness and consideration that I have received at the hands of the brothers on all occasions, and to urge them to fresh efforts in the good cause in which we are all engaged. Our success in the past year should serve as an incentive to further endeavors. What hinders us from being able next year to report two more lodges and an aggregate of 1,000 members? Our jurisdiction could then claim all the rights and privileges enjoyed by other Grand Lodges, and be entitled to send two representatives to the Sovereign Grand Lodge, where I am assured they would be warmly welcomed. With our increasing population and the number of settlements in the Province where the opening of a lodge of our Order would be a great boon to the settlers in many ways, this object should be easy of attainment. Trusting that it may be realized speedily,

I am, dear sirs and brothers,

Yours in F. L. and T.

FRED'K DAVEY,

Grand Secretary.

Moved by P. G. M. Waller, No. 2, and seconded by Rep. Scoullar, No. 3, that the report be received and handed to the committee appointed to distribute the report of the Grand Master. Carried.

To the Grand Lodge of the Province of British Columbia, I. O. O. F.

Dear Sirs and Brothers.—I hereby give notice that I will move tomorrow the following amendment to the rules of the Auxiliary Endowment Benefit Association of this Grand Lodge, viz: add to the rule on page 9, respecting "Funds," the following:

In case there shall appear by the Annual Statements of the Grand Secretary and Grand Treasurer that there is a surplus amount of cash in the Management Fund, after paying all liabilities, the Grand Lodge may set apart such portion of said surplus as may be deemed advisable to form a Reserve Fund, of which a separate account shall also be kept.

Add to the rule respecting "Benefits," at page 10 :

In the event of the number of deaths of members of this Association in any Grand Lodge year exceeding one per cent. of the total number of members of this Association, the Executive Officers may pay from the Reserve Fund the benefits due on such deaths in excess of the percentage before mentioned, provided there be sufficient money in the said Reserve Fund. The amount so paid shall be equivalent to the total amount realized by the preceding assessment, or the sum paid on the death immediately preceding.

Report read from Committee on Laws of Subordinates :

Victoria, B. C., 19th June, 1886.

To the Grand Lodge of British Columbia, I. O. O. F

Dear Sirs and Brothers.—We, your Committee on Laws of Subordinates, beg to report that we have examined the By-Laws of Dominion Lodge, No. 4, submitted to us by the Grand Secretary, and approve the same, with the following exceptions :

Art. III, page 39—Duties of the V. G. The words "*and charges*," in the 4th line should be struck out, being contrary to Rule 3, Sec. 1, Art. VI of the Constitution, which provides that the Committee on Charges shall be elected by ballot.

Art. XVI—Dues—Section 1. All the words after the word "quarter" in the 4th line, should be expunged, being contrary to the Laws of the Order as laid down in Sec. 740, page 173 of White's Digest, which state that the By-Laws of a Lodge providing that member's dues must be paid "previous to the election of officers, or he shall not be entitled to vote" is in conflict with the Laws of the Order.

Art. XXII—Fines and Penalties—Sec. 1. The words "except he is absent from the city, in which case he shall be allowed an additional time of two months," are not in accordance with Art. IV, Sec. 4 of the Constitution for Subordinate Lodges in this Jurisdiction, which provides that "When any member's account shows an indebtedness of three months' dues, the Brother shall not be entitled to benefits." This view is supported by a decision of the Grand Lodge, at its last Session, page 478 of Proceedings, which affirms that it is not competent for Lodges to grant such exceptional extension of time to Brothers residing at a distance from their Lodge. The words in question should, therefore, be struck out.

Art. XXIV. Sec. V, line 2. The words "that the printed copies shall have been received by the Lodge," should be struck out and the Section made to harmonize with Sec. 2 of Art. XIII of the Constitution, which provides that the By-Laws of a Lodge "are in force from the time of their adoption, subject to the approval of the Grand Lodge."

Respectfully submitted, in F. L. and T.,

Report read from Committee on Laws of Subordinates :

VICTORIA, B. C., 27th January, 1887.

To the Grand Lodge, I. O. O. F., of the Province of British Columbia :

Dear Sirs and Brothers.—We beg to report that we have approved of the following amendment to the By Laws of Victoria Lodge, No. 1, I. O. O. F., viz.:

Article XVI. Insert additional, section 2, as follows :

"On the death of a member of this lodge, who was, at the time of his death, in good standing, and when funeral benefits are paid, each member shall be assessed fifty cents; and when funeral benefits are paid on the death of a member's wife or widow, each member shall be assessed twenty-five cents; all these assessments shall be paid to the Sick and Funeral Fund."

We are, dear Sirs and Brothers, yours fraternally,

R. LIPSETT,
WM. STEELE,
J. POPE,

Committee on Laws of Subordinates.

Moved by Rep. Huxtable, No. 1, and seconded by P. G. Waller, No. 2, that the report be received and adopted. Carried.

Report read from Committee on Laws of Subordinates.

VICTORIA, B. C., 25th January, 1887.

To the Grand Lodge, I. O. O. F., of the Province of British Columbia :

Dear Sirs and Brothers.—The undersigned members of the Committee on Laws of Subordinates beg leave to report that we have considered the amendments to the By-Laws of New Westminster Lodge, No. 3, submitted by the Grand Secretary, and recommend the same for adoption with exception of the proposed amendment to Sec. 2 of Art. XXII, from which the words "from the city" should be expunged, and the words "at a distance of fifty miles from the lodge" inserted in lieu, so as to make the same conform to clause 1, Sec. 1 of Art. VII of the Constitution of Subordinate Lodges.

In perusing the copy of the By-Laws of this lodge, we find the following alterations necessary in addition to those passed by the lodge:

Article III. Duties of V. G., provides that this officer shall appoint the minority of the Committee on Charges, but, inasmuch as the Constitution of subordinate lodges, by Rule 3, of Sec. 1, Code of Procedure, Art. VIII, directs that this committee shall be elected as therein laid down, the words "and charges," in the By-Laws referred to should be stricken out.

Art. XX, Section 1. Benefits. This Section, after providing the conditions under which Sick Benefits shall be paid, and the rate of the benefits to the members of different Degrees, continues as follows: "except he was absent from the city, in which case he must comply with the requirements of the Second Section of this Article." We think this is a clerical error which has by some means crept into the By-Laws of other Lodges in this jurisdiction. The second Section referred to directs that a member taken sick at a point remote from the Lodge shall not, but does not qualify, in any respect, the conditions of Section 1, to which there should be no exception, whether the member resides near or remote from his Lodge. The words in question, in our opinion, apply to and should be added to the next clause, which would then read: "If benefits shall not commence more than one week previous to the time of being reported to the Lodge, except he was absent from the city, in which case he must comply with the requirements of the Second Section of this Article," i. e. send an attested statement of his case, etc.

Sec. 5 of Art. XXIV should also be amended by striking out the words "that the printed copies shall have been received by the Lodge," and the substitution of the words "of their adoption, subject to the approval of the Grand Lodge," so as to make this section harmonize with Art. XIII, Sec. 2 of the Constitution of Subordinate Lodges.

Dear Sirs and Brothers. Your Committee, to whom was referred so much of the Grand Master's Report as refers to the decision of E. H. Scoullar, D. D. G. M. "that it was not compulsory for every member of a Lodge present in good standing to vote on the application of a candidate for membership, although it was the duty of each member to do so," beg to report that we find there are three modes of voting, one by ballot, by viva voce, and by ayes and nays. That all questions are determined by one or the other of these modes, but that the Sovereign Grand Lodge seems to recognize all things as "questions," and if members are qualified, *must vote*.

Your committee is not prepared to recommend the appointment of a Grand Representative to the Sovereign Grand Lodge until we have such privilege by right.

Your committee advise the appointment of a D. D. G. M. for Chilliwack, but not at Vancouver, at present.

That the recommendation of the Grand Master to remit the Semi-Annual Tax to Excelsior Lodge, No. 7, to the 31st December, 1886, be approved; and, also, that Vancouver Lodge, No. 8, shall not be taxed to 30th June, 1887.

Your committee recommend that the word "acting" be amended by substituting "Deputy" in the sixth line of the D. D. Grand Master's Report of District No. 3.

On being submitted to the vote the amendment was defeated. The original motion was then put and carried.

Moved by P. G. M. Waller, and seconded by Rep. Meldram, No. 2, that this Grand Lodge do now adjourn to 8 o'clock this evening. Carried.

Report read from Committee on State of the Order.

To the Grand Lodge of British Columbia, I. O. O. F.

With reference to the report of the D. D. G. M. of District No. 2. With notice with pleasure, the zeal and energy displayed by that officer, having instituted two lodges, and dedicated the Chilliwack Hall besides installing officers, both in public and in private, and conferring degrees, the work done in his district exceeds that of any other. His report shows the enthusiasm of Chilliwack Lodge in attending the institution of Vancouver Lodge, No. 8, and the lively interest which the members on the Mainland possess. It is to be regretted that the Grand Lodge Officer visited the Mainland during the year.

Report read from the Committee on Finance.

To the Grand Lodge of the Province of British Columbia:

In compliance with the following Resolution of the last Session of the Grand Lodge, found at page 479 of the Proceedings, in connection with the proposition of P. G. M. Shiles, to amend the Constitution, relative to the payment of Grand Lodge Representatives, viz:—"That the matter lay over until next Session of the Grand Lodge, and that the Finance Committee be instructed to take the same in consideration, and to report during the recess the estimated cost of the proposed amendment, with any alternative scheme they may think more desirable, a copy of their report to be transmitted to each Subordinate Lodge," your Finance Committee beg leave to report that they have given the matter their consideration and submit the following as the result of their labors:—

Estimate of the cost of the alteration proposed by P. G. M. Shiles, viz:—"That all Representatives to the Grand Lodge shall be paid at the rate of \$2.50 per diem for each day of actual attendance, at the rate of five cents per mile, each way, for each mile travelled from his home to the place of meeting of the Grand Lodge. No allowance of any nature shall be paid to Representatives residing in the city or town where the Annual Session of the Grand Lodge may be held."

Basis of Estimate—Representation on membership as per Semi-Annual Reports of 30th June, 1886. Grand Lodge Session to occupy two days.

We think these two illustrations will be considered sufficient to enable the Grand Lodge to form an opinion as to the cost of the proposed amendment.

We find that there is no law governing the payment of representatives, and that each Grand Lodge has dealt with the matter on the recommendation of the Finance Committee, but on no fixed principle, sometimes the whole of the Representatives from distant Lodges have been paid, and at other times, only the Representative of each distant Lodge who was fortunate enough to receive the largest number of votes at the election of Representatives.

We are of opinion that the subject should be definitely settled by legislation on a fair basis, and submit that if the principle of paid representation is recognized, that it should be applied to all representatives without distinction. The Brother who sacrifices his time to attend the business of the Grand Lodge when it meets in the town where he resides, is equally entitled to remuneration for that service as the Brother who comes from a distance.

The questions of the payment of Representatives, and that of representation are intimately connected, and cannot well be considered apart.

On the present basis of representation, the Grand Lodge would consist of 77 members, with the prospect of at least 10 additional members if Lodges are instituted at Vancouver and Kamloops. Now, if provision is made for the payment of all Representatives, the majority of these would attend and the consequence would be, that we should have a Grand Lodge that would be unwieldy and greatly out of proportion to the business to be transacted, besides involving a large expenditure of money unnecessarily,

We are of opinion therefore that the basis of representation should be modified, and would suggest the following for adoption, viz:

Every Lodge of 100 members and under to be entitled to 3 Representatives, and an additional Representative to be allowed for every additional 50 members or fraction over 30—Provided that no Lodge with less than 20 members shall be entitled to more than one representative.

On this basis the Grand Lodge would consist, on its present membership, of 22 Representatives and the Elective Officers (who, as they have all the privileges, need not be elected as Representatives) in all 27, and in the event of Lodges being opened at Kamloops and Vancouver, we may anticipate 6 more, or a total of 33, quite enough, we submit, to perform all the business of a Grand Lodge.

With reference to payment, we would recommend that all Representatives and Grand Officers, whether elective or appointed, should receive \$2.50 per diem for every days' attendance, and 5 cents per mile for each mile travelled to and from the place of meeting of the Grand Lodge, with the exception of the Grand Secretary, who should not be entitled to the per diem. We would also recommend that the Grand Lodge should meet every day not later than 9 o'clock A. M., and continue in Session all day with but short intermission for refreshment, so as to get through the business expeditiously, and that the Roll of Representatives be called at each meeting, and that no absentee be paid per diem, unless excused by resolution of the Grand Lodge, so as to secure a full representation. We would further submit that in the event of a vacancy occurring in the representation of any Lodge, when it would be impossible for the Lodge to elect a successor, that the N. G. be empowered to appoint one.

We estimate that a meeting of the Grand Lodge held in Victoria, on the above lines, and continuing in Session Two days, would cost about \$266, as follows :—

LODGE.	NO. MEM- BERS.	NO. REPS.	PER DIEM.	MILEAGE.	TOTAL.

This estimate is only \$41.00 in excess of the actual cost of the last Session at Nanaimo, and in view of the prosperity which the Order is enjoying in this jurisdiction at present, and its flattering prospects for the future, we cordially recommend the same for your adoption; observing at the same time, that we find from the Report of the Grand Lodge of Idaho, that with a membership of 366, about one-half of our number, the expense of its last communication was estimated at \$900.00, to meet which a tax of \$3.00 per member was levied, against 80 cents in this jurisdiction.

Report read from Committee on State of the Order

To the Grand Lodge of B. C., I. O. O. F.

Dear Sirs and Bros:—Your Committee on the State of the Order, whom was referred the Report of the Grand Secretary, have much pleasure in testifying to its able and exhaustive character. We are pleased to notice the progress of the Order, both as to its numerical strength, as well as its finances; the institution of Chilliwack and Vancouver Lodges is gratifying, and indicates that the Order on the mainland, bids fair to soon equal the Island.

We regret that the Sovereign Grand Lodge has declined to accede to our petition to admit members 18 years of age.

We would suggest that it would be advantageous to have the Chair of the Committee on Laws of Subordinates as permanent as possible, as it would necessarily aid in reviewing By-Laws, and save work in the Grand Body.

We hope that a Lodge at Kamloops may be instituted during the year.

We recommend that each elective Grand Officer receive a copy of the proceedings of the Sovereign Grand Lodge and each Lodge receive copies.

Your Committee recommend that a sum be fixed by this Grand Lodge as a remuneration for taking care of the Grand Secretary's Office.

Your Committee recommend that the Committee on the Endowment

association be retained, as at present constituted, as we are of opinion that its interest will be best conserved by so doing.

Moved by Rep. Meldram, No. 2, and seconded by Rep. Phillips, No. 4, that the report be received and adopted. Carried.

Moved by the Grand Secretary and seconded by Rep. McIntosh, No. 1, "Whereas, the institution of Odd Fellowship is purely a philanthropic and charitable one, and cultivates provident and self-dependent habits amongst its members by making provision during health for times of sickness and accident."

"And, whereas, in this Province adequate provision for sick and indigent members of the community is not made by the State on an organized plan as in older countries."

"And, whereas, in the opinion of this Grand Lodge it is the duty of the State to encourage and foster such institutions as these."

"And, whereas, this principle is recognized in England, where the investments of similar societies are not liable to taxation; and in this Province Church property and that of Charitable Institutions are exempt from taxation"

Resolved, that a Committee be appointed by this Grand Lodge for the purpose of obtaining such alteration in existing laws as will afford immunity from taxation of the funds and investments of such registered friendly and philanthropic institutions, and that they be authorized to collect and prepare such statistics and information respecting the objects

aimed at and the relief disbursed by this Institution, and take such steps in the matter as they may deem advisable.

The Committee to consist of the Elective Grand Officers Rep. Hayward, No. 1, P. G. M. Waller, No. 2, Rep. McCoy, P. G. M., No. 3, Rep. Wriglesworth, P. G. M., No. 4, Rep. Norris, No. 5, Rep. R. Scott, No. 6 and Rep. Henderson, No. 7, with power to add to their number. Carried.

Dear Sirs and Brothers:—Your Committee on Finance beg to report that they have examined the Reports and Books of the Grand Secretary and Grand Treasurer, and find the same correct. The balance in the Grand Treasurer's hands to the credit of the Grand Lodge, being \$310.67.

After carefully considering the condition of the Order in this Province, your Committee recommend that \$12.50 be paid to each Representative of distant Lodges attending this Grand Lodge as mileage, except the Representatives from Excelsior Lodge No. 7, Chilliwhack, to whom we recommend that \$15 each should be paid.

Your Committee recommend that the *per capita* tax to be paid by the subordinate Lodges to this Grand Lodge for the ensuing year, should be \$1.00. Fifty cents to be paid on 30th of June, and fifty cents on 31st December.
